Q-Park Student Award

The Q-Park Student Award is an award organised annually by Erasmus University Rotterdam and Q-Park. The Q-Park Student Award is a competition for the best theses, research projects or assignments submitted by college or university students in the Netherlands and Flanders about parking in the broadest sense of the word.

Key note speakers

Frank De Moor knows a thing or two about parking today and has a clear view on parking (and mobility) in the future. Frank is CEO at Q-Park BV and a member of the Q-Park Student Award jury. He will present the award to the students with the best theses.

Giuliano Mingardo is specialised in parking policy and mobility management and regularly advises (local) governments and companies on these issues. He will welcome you and introduce this year's theme 'Urban Mobility & Behaviour'. Giuliano is researcher at Erasmus University Rotterdam.

Event moderator

Theo Thuis is an innovator and inspirator with a more than average interest in solutions for smart cities and smart mobility. He will guide us through the event and loves to challenge all guests to engage with the speakers, students and each other.
