Q-Park Student Award

The Q-Park Student Award is an award organised annually by Erasmus University Rotterdam and Q-Park.

The Q-Park Student Award is a competition open to students studying at European colleges and universities. Any bachelor or master project related to parking and/or mobility, in the broadest sense of the word, is eligible for the award.

During the event, the students who submitted the three best projects will present their results.

Date: Thursday, 3 November 2022

Key note speakers

Frank De Moor knows a thing or two about parking today and has a clear vision on parking (and mobility) in the future. Frank is CEO at Q-Park BV and a member of the Q-Park Student Award jury. He will present

the award to the students with the best theses.

Giuliano Mingardo is specialised in parking policy and mobility management and regularly advises (local) governments and companies on these issues. He will

welcome you and introduce this year's theme 'Urban Mobility & Behaviour'. Giuliano is senior researcher at Erasmus University Rotterdam.

Event moderator

Theo Thuis is an innovator and inspirator with a more than average interest in solutions for smart cities and smart mobility. He will guide us through the event, Theo loves to challenge all guests to engage with the speakers, students and each other.
